

**Part B:** Select two LinkedIn profiles from your classmates for peer review. Answer the following questions, placing your review in the thread of your classmate's profile:

1. Was the profile complete?

Yes, Jean has an extensive amount of professional information posted on her LinkedIn page.

2. Did it seem to provide a good "picture" of who this person is?

Jean did an excellent job demonstrating how professional, experienced, and thorough she is.

3. Did the person present himself/herself in a positive way?

Absolutely – how would you present yourself in a negative way?

4. What areas for improvement would you recommend?

I can't think of anything Jean should add, as I said she was very thorough and already has a ton of contacts.
